

Government of Jammu & Kashmir
Public Health Engineering Department
Jammu

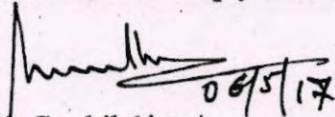

Sub: Suspension of sanction for new water connections.

Order No. PHEJ/CE/05/E of 2017
Dated:- 06-05-2017.

Due to the onset of Summer Season with prolonged power-cuts usually experienced in the summer months, the department is engaged in maintaining the already existing water supply.

As such, in order to maintain regular supply of drinking water to the existing consumers, it is hereby ordered that the sanction of new water connections whether Domestic, Commercial and Industrial shall remain suspended during peak summer season and no new-water connection shall be processed/granted during the peak period of summer season i.e. from 07-05-2017 to 31-08-2017, barring the regularization of illegal connections.

All the Executive Engineers of PHE Deptt. Jammu are directed to comply with the directions in letter and spirit.

(Er. Sushil Aima)
Chief Engineer

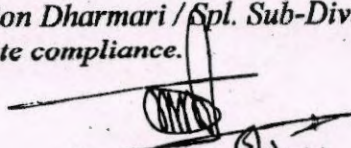

Public Health Engineering Department
